**On or after February 9, 2018, please register (space available) and pay at the door.**

-----  
Proceeds from this course will go to benefit the SFEMS Music Discovery Workshop & Youth Collegium (MDW&YC) a day camp that introduces children and youth to early music and social history through music instruction and theater projects. For younger kids, in grades 1-6, looking for a fun, artistic introduction to early music, there is the Music Discovery Workshop—no prior musical training needed. The Youth Collegium is a concurrent program designed for older, more experienced students, in grades 7 – 12, who want to explore early music in greater depth.

You can make a tax deductible donation ear-marked for the Music Discovery Workshop & Youth Collegium (MDW&YC) by including this lower portion of your registration form together with your donation check payable to SFEMS (but made out separately from your class registration payment).
